Publication takes place on the websites of the respective organiser, the sports associations and also in the media.

Furthermore, an electronic transmission to the Rhineland-Palatinate Turf and Tug-of-War Association (RTV), the LSW Special Sport Germany (LSW), the German Athletics Association (DLV) and their subdivisions takes place with the aim, among other things, of creating the German best lists and the best lists at club, district and state association level as well as for media work.

In addition, the clubs and also on behalf of the participants and judges/helpers registered by them (as well as these independently) declare with the submission of the entries that the data stated in the registration as well as the photos, film recordings or photomechanical reproductions etc. made during the event may be used by the organiser and third parties (e.g. media and sponsors) without remuneration claims of the respective participants and/or their clubs.

If no consent is given, this must be communicated to the organiser at the latest before the start of the competition.

#### **Corona regulations:**

The hygiene regulations of the city of Neu-Isenburg apply at the time of the competition. A vaccination or recovery is recommended or a PRC test no more than 48 hours old should be presented.

Changes are possible at any time.

**Referees/Helpers: Each participant agrees to support the competition by acting as a referee if there is a shortage of referees during the competition.**

**By submitting the entry form, it is confirmed that all the above regulations are accepted and adhered to!**

#### **Note for German participants only:**

The disciplines Shoto-/Schocko-/Speerorama, standing long jump/doublejump and athletics 2k/3k can be categorised as German Championships.
