#### **Data protection regulations for affiliated clubs and associations:**

By submitting their entries, the registering clubs and the participants and judges/helpers registered by them declare that they agree to the storage of personal data and also that the competition data may be stored and published in entry lists, competition protocols and results and leaderboards, including by electronic means. Publication takes place on the websites of the respective organiser, the sports associations and also in the media.

Furthermore, an electronic transmission to the Rhineland-Palatinate Turf and Tug-of-War Association (RTV), the LSW Special Sport Germany (LSW), the German Athletics Association (DLV) and their subdivisions take place with the aim, among other things, of creating the German best lists and the best lists at club, district and state association level as well as for media work.

In addition, the clubs and also on behalf of the participants and judges/helpers registered by them (as well as these independently) declare with the submission of the entries that the data stated in the registration as well as the photos, film recordings or photomechanical reproductions etc. made during the event may be used by the organiser and third parties (e.g. media and sponsors) without remuneration claims of the respective participants and/or their clubs.

If no consent is given, this must be communicated to the organiser at the latest before the start of the competition.

**Referees/Helpers: Each participant agrees to support the competition by acting as a referee if there is a shortage of referees during the competition.**

**By submitting the entry form, it is confirmed that all the above regulations are accepted and adhered to!**

#### **Note for German participants only:**

The disciplines Shot put-/Ball Shock-/Ball throw, standing long jump/double jump and athletics 2k/3k can be categorised as German Championships.

For this, the entry fee increases by € 6 per discipline (i.e. max. € 42). Certificates will be awarded but no medals. Please register separately by e-mail and increase the transfer accordingly if this separate classification is to take place.
